HONESHWAR THAKUR

Frontend Developer

A highly skilled and technically proficient React.js developer with a thorough understanding of React.js and its core principles. Strong proficiency in JavaScript, HTML, CSS, and related web technologies. I am responsible for developing and implementing user interface components using React.js concepts and workflows such as Redux, and Webpack. Also responsible for profiling and improving front-end performance and documenting our front-end codebase.

PERSONAL PROJECT

Ecommerce - Hosted Link
Tech used: React.js, Redux, Strapi, SASS.

- Created an e-commerce web app using React.js, Redux, and SASS.
- Utilized Strapi as the backend service, enhancing data management and communication with the frontend.
- Integrated Stripe for secure and efficient online payments, offering a seamless shopping experience with product browsing, selection, and cart functionality.

Portfolio - Hosted Link
Tech used: HTML, CSS, Jquery, Figma.

- Created a sleek portfolio web application using HTML and CSS for structure and styling.
- Incorporated Jquery to enhance interactivity and user experience in navigating the portfolio's three main sections: Home, Blog, and Projects.
- Use Figma designed template to create structure od application.

Movie Hunt - Hosted Link
Tech used: React JS, API , Redux.

- Developed a movie search web application using React.js, making use of API calls and Redux for state management.
- Implemented a user-friendly interface that allows users to search for any movie, providing a seamless and efficient experience.
- Incorporated a favorites feature, enabling users to add and manage their preferred movies within the application.

Music Player UI - Hosted Link
Tech used: HTML, CSS, Vanilla Js.

- Developed a music player user interface using HTML, CSS, and Vanilla JavaScript for a lightweight and efficient application.
- Implemented various sections, including Top Music, Artists, and Radio, to provide users with diverse options for music exploration.
- Designed an intuitive and visually appealing interface that enhances the user experience while navigating and enjoying music within the application.

EDUCATION

BSC Mathematics
Government Degree College, Kullu

📅 Aug 2019 – May 2022

Acquired a strong foundation in mathematical principles, problem-solving, and analytical thinking during my Bachelor of Science (BSc) in Mathematics.

Higher Secondary Education Science
Arunodaya Sen. Sec. School, Mohal

📅 April 2017 – April 2019

Matriculation
Holy Angels School, Shamshi

📅 March 2016 - April 2017

TECHNICAL SKILLS

Html · Css · Javascrip · React.js · Redux · Redux Toolkit · Boostrap · Jquery · Git · Sass · Poastman · API

SOFT SKILLS

Problem-solving · Communication · Time-Management
